Mayor's introduction

In the year of the 949th Anniversary of the Battle of Hastings, we have a large number of events going on throughout Hastings Week again this year. There's so much to choose from, with something fascinating and fun to do every day of the week.

I know that a lot of work has been going on behind the scenes, all year long, putting together this interesting and exciting programme for this year, ranging from guided walks, the vintage car and commercial vehicle show, open days around the town, and bonfire night with one of the best firework displays in Britain to name only a few.

I hope that you will all have a really great time and get as much enjoyment from the week as I know I will

Cllr Bruce Dowling, Mayor of Hastings.

Hastings Week Online

Every effort has been made to produce correct information, dates and times at the time of going to press. However, unforeseen circumstances may occur which are beyond our control. Check for any updates to this year's programme by logging on to:-

www.1066.net/hastings-week or www.visit1066country.com/events
The Hastings Week Committee cannot be held responsible for such changes which are in the hands of individuals and groups / associations.

A Note from the Chair

On behalf of my Committee I am very pleased to welcome you to the 949th Anniversary of the 'The Battle of Hastings'. Throughout the year the Hastings Week Committee, with the help of Hastings Borough Council and a range of volunteers works towards providing a week-long variety of events and activities for everyone to enjoy. These events are not only entertaining and educational, but also provide a great opportunity for families to spend quality time together! I know you will all enjoy the favourites, the Classic Car Show, concerts, jazz, Hobbies & Crafts culminating with the torchlight procession and fireworks masterminded by the Hastings Borough Bonfire Society and I would like to personally thank everyone who has contributed to the production of the Hastings Week programme 2015 and everyone who is

participating and I hope you all will join in the fun and spend an exciting October with us!

Don't forget, next year is a big one for us all, the 950th anniversary and we are looking for new events, special exhibitions, new ideas. If you think you can help please contact us through our website www.1066.net/hastings-week

Thank you. *Nigel Hogben* Chairman

Hastings Week Guided Walks

MORE 

14th October Battle of Hastings Day

Old Town Walks: coordinate the 11am Stade Walk with the 2.30pm Old Town Walk and collect a 10% discount voucher for Eat@TheStade from your Stade guide. No pre-booking - just turn up!

11am 'In the Footsteps of the Conqueror':

Join our volunteer guides for a walk around the Stade, Hastings' ancient fishing beach area, to explore the history of our unique sustainable fishing community.

Walks take about 90 minutes and are FREE but please donate to The Fishermen's Museum, part of the OHPS.

Walks are on level but maybe uneven ground, no steps. Suitable footwear advisable. Meet at the Lifeboat Station (blue building on the beach)

2.30 pm join us for a tour of Hastings Old Town, the premier ancient Cinque Port, with its wealth of historic buildings, twittens and cat-creeps. Find out why the celebrities of their day flocked to Hastings. OHPS volunteer guides lead all walks, which take about 90 minutes and proceed gently downhill, but there are stairs. The walks are FREE, but please donate to the OHPS (Old Hastings Preservation Society).

Sprat & Winkle Run (Vintage Commercial Vehicles)

11.00 am (approx)

This will be the 7th year that the Sprat and Winkle Run for commercial vehicles has been running from Sevenoaks down to Hastings to bring the Hastings Week celebrations to a close. The run started as an idea by the London & South East Area of the Commercial Vehicle Society who were looking for a seaside destination for one of their old commercial vehicle runs.

The Historic Commercial Vehicle Society was founded in 1958 by a group of enthusiasts who between them owned less than a dozen preserved commercial vehicles. Today the Society has nearly 2000 members who own 4,500 vehicles, such has been the growth of interest in the preservation of commercial road vehicles. Probably the best

known of our activities is the annual London to Brighton run held on the first Sunday in May. Further information can be found at the society's website at or email at hcv2011@gmail.com

The Sprat & Winkle Run attracts around 70 different commercials including buses and coaches, and now is a permanent fixture on the preservation scene, so please come along to the Stade to have a good look at the vehicles and feel free to chat to the owners and drivers who have come down to Hastings, we look forward to meeting you.

The event is named The Sprat And Winkle Run because the finish is at The Stade, Winkle Island, so we send a load of Sprats to catch the Winkle!!

The Bowskill Trophy

Presented in memory of Cyril Bowskill who, with his wife Joan, was a great supporter of Hastings Week. From a majority vote based on public nominations, it is given to a person, group or organisation who has done most to promote the prestige of the week. Certificates of Merit are given to 'Runners up'. Everyone works so hard for the success of Hastings Week, it is always difficult to choose but it is good, and very necessary to show appreciation.

Nomination Forms can be obtained from the Hastings Week Committee Secretary.

Why Hastings Week?

14th October (now Hastings Day) was the date in 1066 when King Harold lost the Battle of Hastings. William Duke of Normandy, who was using Hastings as his base, then claimed the crown and changed the way England was governed forever. He also gave us the English language. In 1966 the 900th anniversary of the Battle was celebrated and it was such a success that Hastings Borough Council decided to mark the date every year as Hastings Day. For a time it was just a day of activities but it has grown over the years to become a week-long celebration of art, music, walks, sport, events, and exhibitions. The Hastings Week programme of events is put together by a band of volunteers on the Hastings Week Committee who give up their time freely; and we thank them for their continued support and enthusiasm.

Hastings Old Town Carnival Court Chloe, who is also Miss Hastings with Talitha (Left) and Hannah (Right)

Programme Production

Continuing local authority cutbacks have meant that the Hastings Week Programme is not produced or subsidised by Hastings Borough Council. The design and production of this booklet has been donated by Hastings Week volunteer Ion Castro who, since 2002, has also donated and maintained the website www.1066.net/hastings-week. We would like to thank the advertisers without whose contribution there would have been no funds to pay for the printing so please support them. We would also like to thank Hastings Printing Company for generously sponsoring the printing of the programme

Thank You

To the public and all participants who support everything with good cheer and enthusiasm, making it all worthwhile.

The Advertisers who support our programme and make it financially viable.

The Hastings Week Committee for their work throughout the year.

The support of the Mayor and of Hastings Borough Council's Marketing & Communications Department.

The media for their publicity before, during and after the week

To Chloe Stretton, Miss Hastings, and her attendants Talitha Ford and Hannah Burgess who will be appearing at many of the events during the week.
