

WHO ARE WE: We are a group of local residents and business people who are opposed to proposals by the Jerwood Foundation to construct a new building on the eastern side of the Stade. We are also opposed to the Hastings Borough Council plans to convert the remaining Stade area into what they describe as a 'piazza'.

OUR AIMS: We seek to persuade the Jerwood Foundation to locate their new gallery facility elsewhere in the town, preferably using an existing built site. We seek to persuade Hastings Borough Council to leave the Stade as a lorry/coach park facility but to replace the existing toilet/office facilities with a better design.

OUR METHODS: We will use whatever legal means are at our disposal to achieve our aims. We will not indulge in racially or religiously motivated claims or activities and will firmly disassociate ourselves from any individual or group that does so. Any member indulging in racial or religious abuse will have their membership revoked with immediate effect.
